Dear Commissioners,

I am a Hamilton resident, and I support the Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct the RAL Expansion Trail along Golf Course Road.

This trail will not only provide a safe recreation trail for our town, but most importantly, a much safer route for our kids traveling to/from school each day. I strongly urge you to approve this project. It's the right thing to do for our community and for our kids.

Thank you for your consideration,

Kelly Hanley
