Subject: [EXTERNAL] RAL Trail Expanwion on Golf Couse Road

Katie and I have lived adjacent to Golf Course road for over 48 years, and we have walked, jogged, ran, and cycled along the road for all those years, and we have witnessed and/or experienced many close calls and life-threatening vehicle/pedestrian encounters more times than we care to count.

We have contacted the Commission numerous times over all these years, and have been rebuffed. Now, however is the time to do something. We urge you to make every effort to expand the bike/walk trail along Golf Course Road, and, ultimately, all the way from Hamilton to the Golf Course.

We appreciate your attention.
