Subject: [EXTERNAL] Support of RAL Trail Expansion on Golf Course Road

Ravalli County Board of Commissioners:

Please support the expansion of the RAL Trail along Golf Course Road which will allow a safe route to commute and recreate for bikers, runners, walkers and more.

Our family lives off Golf Course Road and our children, as well as many neighborhood children, use the new RAL Trail to recreate and ride bikes along this very busy section of road. We would like to see this wonderful trail more accessible through this expansion, as well as make the route from Golf Course into the town of Hamilton a safer place to ride and walk.

Thank you for your thoughtful consideration.
