Ravalli County Commissioners:

I would like you to consider supporting the RAL Trail Expansion along Golf Course Road between Highway 93 and Carriage Rd in Hamilton. There are so many kids and adults that are riding bikes or walking to and from school or work along this road consistently. There is not even a shoulder for them to be able to get over to let cars pass by them. It is very dangerous. It would be a gateway for kids to be able to go to town or Daly School without everyone fearing for their lives. In the summer I see many adult commuters riding bikes up the hill and it is dangerous especially with the visibility coming up to the top by High Rd.

This would be a great community effort on your behalf. Please consider it.

Thanks
