**Subject:** [EXTERNAL] RAL trail expansion on Golf Course Road

Dear Commissioners,

I am Stacy Ricklefs, a resident that lives off of Golf Course Road. I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. I live beyond the Hamilton Golf Course and this road is heavily used with joggers/walkers/bikers. A trail along Golf Course Road from 93 to at least the golf course would provide a safe route for people to be able to bike/walk to town or use for exercise. It would be an added benefit for those frequenting the duck pond as well giving them a safe mode of visiting the pond without needing to take a car. With the rate of new homes being built in this area of town, having a safe pedestrian and bike path is an urgent need.

Please approve this project.

Thank you,  
Stacy Ricklefs  
502 Saddle Ridge Road,  
Hamilton.
