Subject: [EXTERNAL] RAL trail Expansion

Dear County Commissioners.

I strongly support the expansion project for the RAL Trail Expansion on Golf Course Road. As you are aware, bicycle and foot travel along Gol Course Road is hazardous and difficult. Now that the RAL trail is open, there is growing use of the trail by walkers, bikers, and even cross country runners. The expansion project will provide access for more users and it increases the healthy use any age group, while providing a safer route.
