Subject: [EXTERNAL] RAL Trail Expansion support

Dear Ravalli County Commissioners,

My name is Bryan Dufresne. I live on South Crest Avenue, and I am writing in support of the RAL Trail expansion along Golf Course. This project would be an absolute win for the community. First, it would provide safe passage up and down Golf Course for the ever increasing number of walkers, joggers, and bikers that attempt to navigate the road. Second, it would help families that live on Grantsdale or other roads connected to Golf Course. Third, by connecting the RAL Trail, it might give some impetus for other landowners to give for the betterment of the community. Fourth, it will help students navigate their way Daly Schools. Fifth, I believe it serves as a beacon for protecting the Ravalli County way of life for children as our population continues to explode. Finally, it would minimize the odds that another family and their network of friends would have to deal with the unimaginable loss of losing a loved one of Golf Course Road. Please give you approval for this project.

Thank you for your time and consideration in this matter.

Sincerely,
Bryan Dufresne
