Subject: [EXTERNAL] RAL extension down Golf Course Road

Dear Commissioners,

I am writing in full support of extending the RAL trail along Golf Course Road. I live near Grantsdale and Lewis Lane and I have to drive to Big Corral and park to use the RAL trail because walking along Golf Course is too dangerous. It is ridiculous to drive a mile to the parking area to walk a mile along the trail itself.

Because I am often at the intersection of Grantsdale and Golf Course due to where I live, I see bicyclists and walkers trying to negotiate the overgrown edge of Golf Course in order to try and safely get from one place to another. This community is an active community and needs safe places to recreate.

I LOVE the RAL trail. It's close to home, it's an interesting walk due to elevation gain, a short section along the creek, and gorgeous views.

Please consider extending the RAL trail from 93 to Antigone to bring our active community a safe place to recreate.

Thank you,
Cindi L. Schwartz
