Subject: [EXTERNAL] RAL trail expansion on Golf Course Rd

Dear Commissioners,

I am a resident of Golf Course Road, a parent, a Ravalli County resident and I WHOLEHEARTEDLY support the Bike Walk Bitterroot's request for the County to pursue a Transportation Alternative grant to construct a trail along Golf Course Road. The trail will provide a safe route for my kids and family to get to school, to the bike path on 93, to get to friends' houses, to go downtown- pretty much to get anywhere out of our neighborhood. I, as an adult, am leery of walking/running on Golf Course Road with no sidewalk or path as there is no shoulder and the lanes are tight with passing cars. I don't let my kids walk or ride on Golf Course as I worry about how dangerous it is. I strongly urge you to approve this project.

Sincerely,

B Denise Burrows
