Dear Commissioners Chilcott, Huls, and Burrows:

Rollerblade. Walk. Scooter. Bike. Run.

These are just a few of the activities my family loves. Graham, 5, finally ditched the training wheels on his Avenger bike last summer. Owen, 2, fearlessly zips around on his dino scooter. You can find me running, albeit slowly, or rollerblading pushing my two boys in the double stroller.

Why am I sharing all of this? Because we live on Grantsdale Road and recreate often along Golf Course Road. Because when we do, I am anxious and alert - by myself but *especially* with such precious cargo and company.

And because every time I think about Robert, I hug my boys a little tighter.

I want them to Play Like Robert. Recreate outside. Feel safe and, more importantly, *be* safe in the community we call home.

Please support the RAL Trail Expansion on Golf Course Road. For my family, for Robert's family, for all the families who live, work, play, and love Hamilton.

Thank you for your time,

Stacey Sager
