Dear Commissioners,

I am a parent that used to try ride bike with my child from our house on golf course into town but has to stop due to the danger of the road and no safe access. I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a (safe place to recreate/safe route for my children to get to school OR a connection between my home and Daly Elementary/Hwy 93/the existing RAL trail/downtown Hamilton OR another personal reason). I urge you to approve this project.

Thank you,

Romi Coolidge and Otis (10 yo)
