Ravalli County Commissioners, I would like to request that you support the RAL Trail Expansion being submitted by the Bike Walk Bitterroot Non-Profit. As residents of Weber Estates we use Golf Course Road extensively. It is an extremely busy road and we see it being used by bikers and walkers and it is unsafe. A designated trail would be so much safer.

There is already an effort to get grants to help. Your support in this matter would be greatly appreciated.. Let's don't let another tragedy happen on our local roadways.
