County Commissioners:

I strongly support the project for the RAL Trail Expansion on Golf Course Road.

We have lived at our location just off Golf Course Road for almost 50 years. In that time we have seen the traffic increase vastly both in volume and the speed that the traffic travels. In addition, with increased building in areas accessed by Golf Course Road the use by heavy machines and equipment and truck traffic has greatly increased.

The RAL expansion project will provide safe access for walkers and bikers of all ages. Your support of this project would be greatly appreciated.
