Dear Commissioners,

I am Darrell Williams, a Golf Course resident and close friend of the Leonardi family. My wife and I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a path along Golf Course Road. Having a separate path along this road will increase safety considerably for our children and all pedestrians wanting to connect to the school systems and community. My wife and I urge you to apply for this grant. Thank you for your consideration.

Darrell and RoAnn Williams
334 Golf Course Road.
