Subject: [EXTERNAL] RAL Trail Expansion - support!

Hello Commissioners,

I am a Ravalli County resident, and I am writing in support of the RAL Trail Expansion on Golf Course Road.

While I do not live near the proposed trail, and don't know that I will often use the trail for recreation, I drive the road frequently and it is apparent that it is a very unsafe route for those traveling on foot or bike, in a stroller, or on a scooter. I would feel better as a community member knowing that the tremendous number of people who use that route - especially kids! - have a safer way to travel on Golf Course Rd.

I urge you to support the RAL Trail Expansion, and feel proud to live in a community where beneficial projects like these can be realized through community efforts.

Thank you,
