Subject: [EXTERNAL] Bike Walk

Dear Commissioners,

I am Diane King a golf course resident, Ravalli County resident, a parent, grandparent, and friend of the Leonardi family. I have lived along Golf Course Road for the past 40 years.

Initially my family was able to use the road for walking and biking but with the influx of many new residents during the past 15 or so years we are no longer able to use the road for

recreation, in fact, the road is dangerous for everything including cars.

I support Bike Walk Bitterroot's request for the county to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe place to

recreate, make a safe route for children to get to Daly Elementary School, and a connection to Hwy 93 and the existing RAL trail.

I urge you to approve this project for both children and adults who reside in our community.

Sincerely,

Diane King
