Dear Commissioners,

I am a golf course resident and a friend of the Leonardi family and I fully support the Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This will provide a safe place for the community to recreate. I am an avid runner and cyclist. I frequently run or ride from my house up Golf Course road. Every time I do I feel like I am at risk of being hit by a car. People drive too fast and often times do not move over to give you room. There is no shoulder or anywhere to go while on my bike. As more people move into Hamilton and the community grows there will be more traffic on Golf Course road.

I urge you to approve this project.
