Subject: [EXTERNAL] RAL trail expansion on Golf Course

I am Diana Faramarzi resident on Antigone Drive and neighbor of the Leonardi family. I enjoyed watching Robert ride up and down our street to visit his grandparents and I saw him headed home on that fateful day. I strongly support the Bile Walk Bitterroot's request for County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe route for children and adults to walk or ride to town and back. I personally have a progressive ey condition that will likely make it impossible for me to drive in the not too distant future and would welcome a safe way to get to town by bike or on foot.

Thank you for your consideration
