Dear Commissioners,

Please accept this letter as support for the efforts of Bike Walk Bitterroot's request for Ravalli County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road.

I wish I could find the words to describe the meaning of this potential project to our family and our community. Those words seem to get harder to find as time passes even though a sense of acute loss pervades our thoughts without interruption.

In the end, we are dedicated physically, mentally, and monetarily to this concept of safe recreation and travel in our community.

Your positive consideration and support would be greatly appreciated.
