Dear Commissioners,

*I am Tasha Fain, a golf course resident, a parent, and friend of the Leonardi Family. I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail is much needed and will provide a safe place to recreate along a very busy road, a safe route for my children to get to school, and a connection between the existing RAL trail to downtown Hamilton. We love the RAL trail and would greatly appreciate additional safe paths to connect with nature and our community! I urge you to approve this project.*
