Subject: [EXTERNAL] RAL TRAIL EXPANSION ON GOLF COURSE ROAD

We would like to express our support for the RAL Trail Expansion on Golf Course Road. We have lived at 324 Noland Drive for the past 34 years & we drive Golf Course Road everytime we leave our subdivision. Foot & bike traffic on Golf Course Road has been increasing over the past few years. There is very little room for walkers or bikers & others to share the road with vehicles & we have been in several situations where we have had to almost stop our vehicle to avoid hitting a walker or a biker because of oncoming traffic. We agree with the proposal by Bike Walk Bitterroot to make Golf Course Road a safer place for all users. We urge the Ravalli County Commissioners to support this project.

Thank you for this opportunity to communicate with you.

Sincerely,
Jeffrey & Janet Amoss
