Dear Commissioners,

I have lived in Ravalli County for 27 years and believe it would be a tremendous and necessary benefit to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. I am asking you to please support the proposal Bike Walk Bitterroot to create a safer community. I resided not far from where Robert Leonardi tragically lost his life and as a parent and long time children's advocate, I believe we can honor his life but ensuring a safe place for children, the elderly and folks of all ages can travel safely. This is a highly utilized route and traffic can be intensely busy, fast and as we have unfortunately learned, traveled by reckless drivers. I have personally witnessed several accidents on the corner of Grantsdale and Golf Course Rd in the 2 years I lived there. Thank you in advance for supporting this endeavor.

Respectfully,
Kate Duggan
Darby, MT
