Subject: [EXTERNAL] RAL Trail

Dear County Commissioners,

My name is Birch Fett and I am a teacher, father and community member here in Hamilton. I am also a close family friend of the Leonardi family.

I am writing in support of expanding the RAL trail. Adding more safe space for kids and families to enjoy the outdoors is something our community needs.

We all try to “play like Robert” and having a safe space, away from traffic is a necessity.

Full support for the expansion of the RAL trail from the Fett family.

Thank you,

Birch Fett
