Subject: [EXTERNAL] RAL Trail Expansion on Golf Course Rd

Hello,

We would like to express our agreement for the RAL Trail Expansion on Golf Course Rd. We live on Carriage Rd. Almost always there is someone walking, running, or riding a bike along Golf Course Rd. It is very dangerous since there isn't any shoulder on the road.

This would also be a nice memorial for Robert Leonardi. His grandparents on both sides are friends with our family members so we heard about him quite often. It was a sad day when he was hit.

We support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Rd. We also are willing to help raise the matching funds.

We urge you to approve this project.

Sincerely,

Jim and Geil Lee
