Subject: [EXTERNAL] I Support the RAL Trail Expansion

Dear Commissioners,

My name is Kathy Dickemore. I live on Skyline Drive just off of Golf Course Road. I am a parent, HSD3 educator, Ravalli County resident, and friend of the Leonardi Family. I am writing because I support the Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. Golf Course road has always caused me to worry about the safety of myself, my family and my friends. I love to run. Every destination is connected to Golf Course Rd. This road is very narrow with hardly a shoulder. My new favorite place to run is the RAL trail. To get there from my home I must run along Golf Course. This section of my run is always the scariest part....especially when I run with others. The traffic is often heavy. Having this addition to the trail will provide a safer place to exercise. It will also provide a route for my children and I to get to school. Most importantly, it would be a loving tribute to the Leonardi family. I urge you to approve this project.
