Dear Commissioners,

Please consider pursuing the Bike/Walk Bitterroot request to ascertain a Transportation Alternative Grant for trail construction along Golf Course Rd. My husband and I walk, bike, and drive on Golf Course Rd. daily. It is very busy and a bit scary if you are biking or a pedestrian. It's even scary if you're in a car trying to safely pass a walker or biker. The RAL Trail is well used- I'm certain this trail would also be enjoyed by many!

Thank you,
