Subject: PRESS RELEASE: LAND PATENT SEMINAR - Kalispell MT Sat. June 7, 8 am-5 pm

LAND PATENT SEMINAR:

A land patent seminar is being held at the Arts and Technology building, Flathead Community College, Kalispell, MT, Saturday, June 7th from 8:00 am to 5:00 pm. It will be presented by Ron Gibson, nationally recognized expert on land patents with 45 years of legal research and experience.

Patent law provides historic protections over title to land, water and property; especially rulings against federal overreach. Details of procedures and process for establishing official land patents will be provided with personalized guidance.

Price is \$150 for individual (\$175 spouse incl.) covering cost of comprehensive workbook containing laws, court cases and supreme court rulings. Sandwich-bar lunch included.

Advance registration recommended to assure space and workshop materials. Send check to Rex Nichols, P.O.Box 1290, Eureka, Mt 59917. Call to confirm: 406-889-3980
