**Subject:** [EXTERNAL] RAL Expansion Trail

Dear Commissioners, I am Brandi Williamson, a Ravalli County resident, a parent, and a friend of the Leonardi Family and I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe place to recreate and safe routes for friends of my children and other children of the area to get to school or a friend's house safely.

If more trails and safe road crossings existed in our community, this tragedy may never have happened and a sister wouldn't have lost a brother, a mother and father wouldn't have lost a son, grandparents wouldn't have lost a grandson, friends wouldn't have lost a friend and everyone wouldn't have lost a little piece of their heart that day.

Please for the sake of our children and for the health of our community, I urge you to approve this project.
