Subject: [EXTERNAL] RAL Trail

Dear Commissioners,

I am a teacher, resident of Weber Estates and neighbor to the Leonardi family and I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road.

This trail will provide a safe place for people to commute to work and school as well as recreate. For years I've thought that one way we could improve our community and make Hamilton even more attractive that it already is is to have biking and walking paths along the main roadways from out of town into town.

It's sad that it has taken the loss of one of our children to prompt this movement to create a trail along Golf Course Road, but this is something that is necessary for our children and the adults in our community to have a safe route of travel on Golf Course Road.

I appreciate your support of this project.

Thank you for considering it.

Sincerely,
Karen Daniels
