Subject: [EXTERNAL] Thank you from BWB

Good morning Commissioners,

I wanted to take the time today to thank each of you for your approval of our request to apply for the Transportation Alternatives grant for the RAL Trail Expansion along Golf Course Road. As you saw, the support from the community for this project is strong and we are excited to do our best to make this trail a reality.

We are immensely appreciative of your support! We will keep you updated as the grant application and fundraising campaign progresses.

Thank you,
Amy Fox
BWB Board President
