Subject: [EXTERNAL] Triple D Ranch I and II

To Whom It May Concern:

I wanted to provide my comments since I will be unable to attend the meeting tomorrow for Triple D Ranch projects I and II.

I am in full support of these projects (in addition to other BRLT land projects) to conserve agricultural spaces here in the Bitterroot Valley for future generations, as well as to maintain open land/range for resident wildlife. My family and I find it extremely valuable to landowners and prosperity to continue such conservation. In fact, we have been considering the same for our 160 acres in Corvallis as we are neighbors to the Weber property off Hamilton Heights that is also in a land trust.

Thank you for your consideration,
