The records of the Ravalli County Clerk and Records Office indicate that you are the owner(s) of property located near or adjacent to a planned highway project (River Park Commercial Village Tract, Stevensville, MT, Geo Code # 13176422101010000). The Montana Department of Transportation is planning to build a two-way left turn lane by widening the southbound side of the road for a new through lane and re-striping the existing through lane as a two-way-left-turn lane on this 0.3 mile roadway segment as a safety enhancement. The purpose of the project is to improve the safety of the road. Your property **will not** be affected by this project. This is merely a courtesy letter to inform you of the Department's plans, as you are a neighboring landowner. If you have any questions, please don't hesitate to contact me @ (406) 523-5848.

Sincerely,

R. Scott Duncan  
Right-of-Way Agent
