County Commissioner Jeff Burroughs  
215 South 4<sup>th</sup> Street  
Hamilton, MT 59840

Dear Commissioner Burroughs:

I am privileged to serve on the Darby City Council and have been active in leadership in our community for several years. I am also blessed to be the leader of a community chorale comprised of members from several local churches. We love America and care deeply about the protectors of our freedom—our civic leaders, our military and veterans, our law enforcement officers and all who serve as first responders. On July 4 we have organized a special program to celebrate America and honor people such as you who serve us so faithfully.

On July 4, in the Darby town park from 1:15-2:45, we are preparing a free picnic meal for all who attend. During the program our chorale will present a musical tribute to America in which we will recognize our military members and veterans, law enforcement officers, and first responders. In fact there is a special song dedicated to them. In addition our mayor would like to acknowledge leaders, law enforcement officers and first responders that are present.

Enclosed is a flyer about this patriotic event to be posted or shared with all your staff. If your schedule permits you to be in attendance at the picnic/concert, we would be honored and would like to formally recognize you or any spokesman in attendance on your behalf.

Warm Regards,

George M. Cuff

PS Bring the whole family!
