Ravalli City Comm.

Gentlemen:

I am writing to express my concerns for a fence recently installed at Mtn. View Dr #194, which is occupied by Linda.

In my humble ^{opinion} ~~opinion~~ this fence is partially on County Road property.

The rest of us have to adhere to boundary lines so I respectfully request that said encroachment on County property be addressed and said fence be set back onto owners, occupants property.

Thank you for your ^{Promot} attention to this matter.
