Subject: [EXTERNAL] Crossing lights at south entrance to RAL Trail?

Good day Commissioners,

I email to inquire whether any progress has been made on getting a crossing light on Golf Course Rd near the southern entrance to the RAL Trail? I was visiting with some friends and neighbors the other day and the question came up, as they continue to see steady use of the trail from that end and would like to enhance the safety for people crossing Golf Course Rd to access it.

As an aside, I recently saw the real estate listing below, with its reference to the RAL Trail as an amenity. Very cool.

Best,
