Dear Objector:

I have reviewed your objection to the Mud Creek Environmental Assessment and draft Decision Notice, prepared by Matt Anderson, Bitterroot National Forest Supervisor, and found that your objection meets the requirements of 36 CFR 218.8 and 218.9, commonly known as the objection process. Therefore, your objection will be considered, and I will provide a written response to your objection and the issues you have raised, as required by 36 CFR 218.26(b).

I will respond to your objection by October 7, 2021, with either a written response or a written notification of an extension of the review period. If the response period is extended, my response will be sent no later than November 8, 2021.

I would like to meet with you virtually to discuss potential resolutions to objections on Thursday, September 23 from 9:00 a.m. to 12:00 p.m. Mountain Time. If you are interested in attending the meeting please contact Cody Hutchinson at 406-540-3469 or cody.hutchinson@usda.gov by close of business on September 10, 2021.
