

Ravalli County Commissioners -

Thank you for donating the permit for Robert's Run & being so supportive. We continue to be blown away by the support we receive from the community as we navigate the loss of Robert.

We are still very interested in making Golf Course Rd safer & look forward to more conversations as we move forward with the project. much love,

Alyce, Phil, Meryn Leonardi &  
Robert's Run Committee

Thank you

Robert's RVN
