IMMEDIATE RELEASE

Trail Creek Bridge closure taking place the week of September 13-16

WISDOM – The Montana Department of Transportation (MDT) will close Highway 43 near the May Creek Campground on Highway 43 west of Wisdom the week of September 13-16, 2021. The road will be closed 24 hours a day (Monday through Thursday) to allow crews to remove and replace the Trail Creek Bridge and the culvert at Canyon Creek. The road is expected to reopen to traffic on Friday (September 17). Please choose an alternate route as there is no designated detour around the construction. This will be the second and final closure for the Trail Creek Bridges Project.

"The first Trail Creek Bridge replacement went well, and crews are ready to replace the second bridge. This will be the final Highway 43 closure for the project," said MDT Engineering Project Manager Jeff Harrison. "MDT really appreciates the patience of everyone in the Big Hole Valley throughout construction this summer."

For the very latest information on the closures, and other road conditions around Montana, visit the MDT travel info website: https://www.511mt.net/

MDT will update the public as the project area reopens. To sign up for construction email updates, text HWY43 to 22828. Questions and comments can be sent to Brandon@rbci.net or by phone at (406) 284-1500.
