Subject: Final 2021–2025 Statewide Transportation Improvement Program

Enclosed is a copy of the **final** 2021–2025 Statewide Transportation Improvement Program (STIP).

While the projects and dates shown are official departmental objectives, it is important to bear in mind that this program is only tentative. Execution of this program is contingent on a number of factors, including federal and state funding availability, right-of-way acquisition, utility relocations, environmental review, surveying, and design. Complications with one or more of these factors may cause a project to be rescheduled.
