Subject: [EXTERNAL] The county needs fully qualified narcotics dog

Dear County Commissioners,

I am writing in support of having a fully qualified narcotics dog on staff for the sheriffs narcotics division. If the current one needs to be retired, we need another. It would be good to have 2 qualified narcotics dogs, given the size of our county. With highway 93 being known as a drug corridor from Mexico to Canada, I feel it is vital that we protect our community, especially our children, from the drug dealers and all the crime associated with narcotics. Let's keep this county a wholesome place to live!

Thank you for serving and protecting our wonderful county!

Sincerely,

Nancy Valk
