Subject: [EXTERNAL] Dr. Calderwood and Tiffany Webber

Please forward the following to the Ravalli County Board of Commissioners and Ravalli County Health Board.

I am writing to publicly state my appreciation of the work that Dr. Carol Calderwood, County Health Officer, and Tiffany Webber, Public Health Nurse, have done for our community, particularly during the uncertain times we have all had to endure around the Covid 19 virus. Without adequate staff or funding reasonable for dealing with a novel and fairly easily transmitted sometimes deadly virus, they have both worked far beyond normal expectations with genuine dedication to support our community's health in the most trying of circumstances, coping with evolving scientific and medical understandings that have challenged us all.

Please give your support to these dedicated individuals. We cannot afford to lose them.

Thank you for your time and attention.
