Re: Letter of Support for BRPA Grant Application to DNRC

Dear DNRC,

The Ravalli County Board of Commissioners would like to express our support for the Bitterroot River Protection Association grant application. We feel the planning and projects that would result from this grant would be beneficial in understanding the quantity and quality of water in the Bitterroot Watershed now and into the future. Thank you for your consideration.

Sincerely,

Jeff Burrows, Chairman
Ravalli County Commissioners

Dan Huls, Vice-Chairman
Ravalli County Commissioners
