Subject: [EXTERNAL] Support for Ravalli County Health Officer and Public Health Nurse

As a Bitterroot valley citizen and retired health care provider, I value knowledgeable and effective leadership in our medical community. I am writing to you to let you know of my deepest gratitude and support for Dr Calderwood and Nurse Webber. They are very knowledgeable, experienced and have been doing their jobs diligently for years in our community. They have both worked far beyond normal expectations with dedication and professionalism. It is appalling and unacceptable for health care providers and members of the Health Board to be bullied, harassed and attacked by a small contingent in the valley for doing their jobs with best medical practices for the health and safety of all of our community members.

I ask that you give your support to them as well. We cannot afford to lose them and we cannot let a small number of local bullies prevail.

Sincerely,

Dr Hillery Daily
Darby, MT
