Subject: [EXTERNAL] comment to the RC Health Board special meeting

Dear Ravalli County Health Board

I would like my comment included at the upcoming special meeting on October 26.

I am writing to express my support for Dr Carol Calderwood and Tiffany Weber. They have worked tirelessly to protect and care for this community throughout a number of years of a very difficult situation. Covid has not been easy for anyone, but these health officials have not only worked hard in adverse conditions. they have also had to put up with uncalled for and undeserved harassment. I appreciate them both. Please give them your support and stand behind their good work.

Thanks for your time
