Subject: [EXTERNAL] Letter of Support for Dr. Calderwood and Tiffany Webber

For the Ravalli County Board of Health:

I am writing in support of County Health Officer Dr. Carol Calderwood and Public Health Director Tiffany Webber. They provide professional guidance to the public regarding Covid, referring to reputable sources of information. I thank them for their professionalism and dedicated work to disseminating factual information to our community. Our Health Officer, Public Health Director, and Public Health staff continue to provide services within the scope of Public Health, encouraging the public to consult with their primary care provider for individualized care. They are to be recognized for treating the public with respect, professionalism, and kindness.

Regards,
Kerry McKillip
