Subject: [EXTERNAL] South of Stevensville Weekly Update

Good morning,

Construction is moving forward on the South of Stevensville Safety Improvements project.

Next week, Schellinger Construction and the Montana Department of Transportation will be wrapping up paving operations throughout the project area. Pilot cars will guide traffic through the work zone from both the north and south ends of the project.

Construction will pause the week of November 22 while crews celebrate the Thanksgiving holiday. Work will resume the week of November 29.

Weekly updates will be provided every Friday throughout construction. If you have any questions or concerns, please email me at amy@bigskypublicrelations.com or call the project hotline at (406) 207-4484, Monday through Friday, from 9 a.m. to 5 p.m. Text updates are also available. To register, text STEVENSVILLE to 41411.* More information on the project can be found at <https://www.mdt.mt.gov/pubinvolve/southstevi/>.

Best,
Amy Aiello
Big Sky Public Relations on behalf of the Montana Department of Transportation
