

November 14, 2021

Dear *Fair Commissioners*

Thank you for supporting the 2021 Ravalli County 4-H/FFA Livestock Sale! On behalf of the Summerdale 4-H Club, I would like to give you a big 4-H thank you. In our 4-H club, we have a lot of livestock members. It is a lot of work to take care of an animal, get it ready for fair and show it. We appreciate businesses and individuals, like you, who have contributed this year and previous years to support kids like us.

The 2020-2021 4-H Year looked a little different than previous years in 4-H but we still accomplished a lot! We still have a Secret Santa gift exchange but the Santa delivered to each our houses instead of at the meeting. Club members completed their demonstrations at meetings and some were recorded and posted our club's Facebook page. Members got to do the county competitions like Fashion Review, Arts & Crafts, Speech and Demonstration. Many of us also went to 4-H camp in July at Loon Lake with a camp theme of Around the World.

I'm sure your business or life looked a little different, too. We appreciate that you kept the 4-H Livestock Sale as a tradition this year and always.

Sincerely,

*Callie Andersen*
