**Subject:** [EXTERNAL] Klements Lane Proposal

My husband and I have lived on Klements Lane since 1997. One of the reasons we purchased this property is the paved road. Making it gravel will devalue our property and the dust will be intolerable. We live close to the East Side highway and we will have to endure the dust from all the residents driving on our road every day.

Please vote "NO" on the proposal to make our road gravel. Thank you.
