Subject: [EXTERNAL] The Un-Paving of Klements Lane

Commissioners,

As a home owner on Klements Lane since 2004, I am contacting to ask you to not support the idea of un-paving our road. Turning our road into gravel road will result in a less than adequate roadway. Dust, ruts, high water table and frequent foot & vehicle traffic, would cause more trouble than residents of the lane contacting the road department with requests for repairs. Attention to the upkeep of our roadway is limited as it is and were it made gravel, I fear we could expect even less attention.

I happily pay my taxes and have been waiting for the repaving of the road for 18 years.
Please do not consider this backwards stepping solution and schedule our road for re-paving.

Sincerely,
Sandra A. Bjorklund
