Hello,

I live at **5405 N Barbara Dr** and I would like to cast my vote to maintain paved roads throughout Florence. The taxes that we pay should go into supporting areas that are directly relevant to us, this being one of them.

Turning to gravel will likely be just as much maintenance in the long run with the amount of grading/filling that will need to occur. If we repave the roads, we will of course see an expense up front, but maintenance will be much reduced on a weekly to monthly basis.

I would be willing to participate as a laborer to help keep these roads paved as I'm sure that others may as well if push came to shove.

Please continue to maintain these roads as paved surfaces.

Many thanks,
Todd Stewart
